Contributions to Life Insurance

Contributions to life insurance are made by the insured or the policyowner.

Your contributions

Contributions to life insurance are made by the insured or the policyowner. Contributions are made in the form of cash or by deduction from a salary or other source. Contributions are made on a regular basis, usually monthly, but can be made on a lump-sum basis. Contributions are made to the life insurance policy and are used to pay the cost of the insurance. Contributions are made to the life insurance policy and are used to pay the cost of the insurance. Contributions are made to the life insurance policy and are used to pay the cost of the insurance.
